

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-269-2134 . For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.cdphp.com/contracts or call 1-877-269-2134 to request a copy.

Important Questions	Answers	Why This Matters:
<u>What is the overall deductible?</u>	In Network: \$6,000/Individual, \$12,000/Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<u>Are there services covered before you meet your <u>deductible</u>?</u>	Yes, <u>Deductible</u> does not apply to <u>Preventive care</u> and preventive <u>Prescription drugs</u> or to services in Phase 1.	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
<u>Are there other <u>deductibles</u> for specific services?</u>	No.	You don't have to meet <u>deductibles</u> for specific services.
<u>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</u>	In Network: \$6,000/Individual, \$12,000/Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<u>What is not included in the <u>out-of-pocket limit</u>?</u>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> does not cover.	Even though you pay these expenses they don't count toward the <u>out-of-pocket limit</u> .
<u>Will you pay less if you use a <u>network provider</u>?</u>	Yes. See www.cdphp.com/contracts or call 1-877-269-2134 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<u>Do you need a <u>referral</u> to see a <u>specialist</u>?</u>	No.	You can see the <u>specialist</u> you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
